Dear Doctor Allen:

I was very sorry to have to miss the K. K. - K. State game the other night. I found after arriving home that George had a game that night with Wellsville. I had been forced to miss one game previously, and I was primarily interested in having him see the game.

I would like a pain check in order to bring him + two other boys, one of them 6 foot 3 in, + Walter Herkal of the Olathe Clippers team. Will you please ask Mr. Kullen to send me a schedule.

Yours sincerely
Lloyd A. Doughton
