Mr. J. N. Hanthorn, Principal,  
William Chrisman High School,  
Independence, Missouri.

Dear Mr. Hanthorn:

Your good letter of the 19th has been received, and I am very happy to acknowledge the same.

We have a radio program here over our University station, KFKU, in which we broadcast for thirty minutes on "Physical Education for Health". I have been placed in charge of that feature each Thursday night, and it is with a great deal of diffidence that I leave the station.

However, I am going to make arrangements to have some one substitute for me, although I have not done that this fall. I will be glad to come on Thursday, October 28. I notice that the game will be played the 29th, but the homecoming meeting is on Thursday, at 7:30 p.m. I imagine the meeting is to be held in the auditorium of the William Chrisman High School. Will you please confirm this? You may count on me being there about 7:15.

Very cordially yours,

FCA:AH

Director of Physical Education.
