Mr. Wm. Hogben,
447 West 62nd Terrace,
Kansas City, Mo.

Dear Mr. Hogben:

I want to thank you so much for your kindness in taking Mr. Volz back to Kansas City last night. We desired a competent official, and the only way we could get him back to Kansas City was to impose on your generosity. Thank you so much.

I also want you to know that in my opinion Bill is going to make a fine basketball player. The big boys that guard, Arnold and Kline, were not quick enough on the shift to meet the shiftiness of their more experienced opponents. Bill is a good scrapper, has a good head on him, and although I did not play him the greater part of the game, I want you to know that I think he has fine possibilities. He is intelligent, aggressive and consistent.

The freshmen were bothered somewhat by stage-fright, but on the whole I thought they gave a good account of themselves.

Again assuring you it was a pleasure to see you, if only for a short time, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
