Mr. Don B. Hibbs,
Maitland, Mo.

Dear Mr. Hibbs:

Your signed check for \$5.39 made out to the Athletic Association has arrived, and I turned the same over to Mr. Earl Falkenstien, the financial secretary of the Athletic Association, with instructions to mail your tickets. Doubtless you have already received them by now.

The tickets are \$2.24, and two of them would be \$4.48. With 15¢ for insured postage, the total would be \$4.63. Your check was for \$5.39, so Mr. Falkenstien will doubtless refund you the balance of 76¢.

Sincerely yours,

FCA:AH

Director of Physical Education.
