Kansas City, Mo.

Dear Lee:

Your letter regarding tickets for Saturday's game has been received by me.

As you know, I have absolutely nothing to do with the ticket proposition this year, but I have spoken to Mr. Earl Falkenstien, financial secretary of the University of Kansas Physical Education Corporation (Athletic Association), and he has laid aside good tickets for you. They will be held in your name at the north entrance to the stadium.

I trust that you enjoy the game, and I hope that you will stop by after the game to say "Hello".

Sincerely yours,

FCA:AH

Director of Physical Education.
