Dear "Doc":

I take it from your letter
you will work out in Lawrence
the 27th + 28th of December.

If that is so I want to
bring my coach and drop
in. I have some fine seniors
I have taught for 4 years or
want you to look them over
in the spring.

Forest

Let me know about the 27 + 28th

P.S. I don't think they will need jobs
which is probably a relief for you to hear!
