

December 15, 1937.

Mr. Elmer W. Holm,  
Director of Athletics,  
Washburn College,  
Topeka, Kansas.

Dear Elmer:

Your letter of December 14 was received this morning, and I immediately checked up with our Athletic Office regarding the contracts.

I find that a contract has been drawn up on a basis of a guarantee of \$200 with an option of 50%, signed by you and by Gwinn Henry, our Director of Athletics. These contracts are always made up in duplicate, and you must have a copy in your file, because we have your letter of October 28 in which you say you are returning one of the contracts.

I trust that you will be able to locate your copy of the contract.

We are looking forward with pleasure to our game with you Thursday evening.

Cordially yours,

Varsity Basketball Coach,  
Director of Physical Education.
