Dear Phog:

Checking over our basketball contracts I find that we have failed to arrange an agreement in connection with our home and home basketball games. It has been our custom in the past to play on a basis of a \$200 guarantee or a 50-50 option. This is satisfactory with us and if it meets with your approval, I shall be happy to fill out contract forms.

If you would rather have each school keep its own home gate and pay its own expenses on the trip, that too will be satisfactory with us. In either case I think it would be expedient to have contracts drawn up.

I should like to hear from you concerning these matters.

Sincerely yours,

Elmer W. Holm,
Director of Athletics
