

November 23, 1937.

Mr. J. E. Henry,
Manager, Coates House,
Kansas City, Missouri.

Dear Ira:

This morning I received a letter from Mr. Frank L. Myers, assistant to the Director of Athletics at Kansas State College, in which he says:

"Evidently there has been some mistake along the line regarding the check in amount of \$4.65 which you mailed to us on October 22. As you will recall, this check made out to you and bearing your indorsement called for two tickets for the Nebraska game for your good friend, J. E. "Ira" Henry, Manager of the Coates House in Kansas City. The tickets were sent to Mr. Henry and the check was sent through. Today it came back to us with the statement 'signature not authorized'."

Will you please look into this matter at once, and write me so that I can reply to Mr. Myers. You can see that this puts us in a very embarrassing position.

Sincerely yours,

Director of Physical Education.
