Mr. Carlos Hobbs,
Sports Editor,
Topeka State Journal,
Topeka, Kansas.

Dear Carlos:

I spoke to Mr. Earl Falkenstien, our financial secretary, and he has laid aside three tickets for Mr. Gilbert Swenson, your telegraph editor. I am glad that Mr. Swenson will be able to attend the game together with his wife and daughter. He may pick up the tickets at the box office in the front of the auditorium. Of course there will be no charge save for the government and state tax, which is ten cents per ticket.

I also spoke to Mr. Falkenstien that probably you would want a couple for yourself and I hope it will be possible for you to arrange to be with us.

Thank you very much for your very kind wishes regarding our season. It turned out a lot better than I ever dreamed that it would. Really, I didn't think we had a chance. Third place would have suited me O.K. if I had picked them according to their ability.

I am very happy that you enjoyed the book. If you want to mail it down to me I will be happy to autograph it and mail it back to you. Will you be kind enough to check up on the review you wrote, as I would appreciate it if you would send the publishers and me a copy. Of course, you know how these publishers are. They figure that if a sports writer can give the book a break it is well worth the expenditure, and since you have been always one of our especially staunch friends I would more than appreciate it on account of some competition that you have -- well, we will not mention that any more. You know. It would please me to see you give the book a break.

With every good wish to you, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
