OFFICE OF THE DEAN

Dr. F. C. Allen
Department of Physical Education
University of Kansas

My dear Dr. Allen:

I have already told Mr. Bayles that I will do what I can to see that the high school gymnasiums are hereafter open to their students during the Christmas vacation. I see no reason why they should not be open in the afternoons, at least, for the young people of the local schools.

Sincerely yours,

Paul B. Lawson, Dean
