Lawrence, Kansas

Jan. 10, 1939.

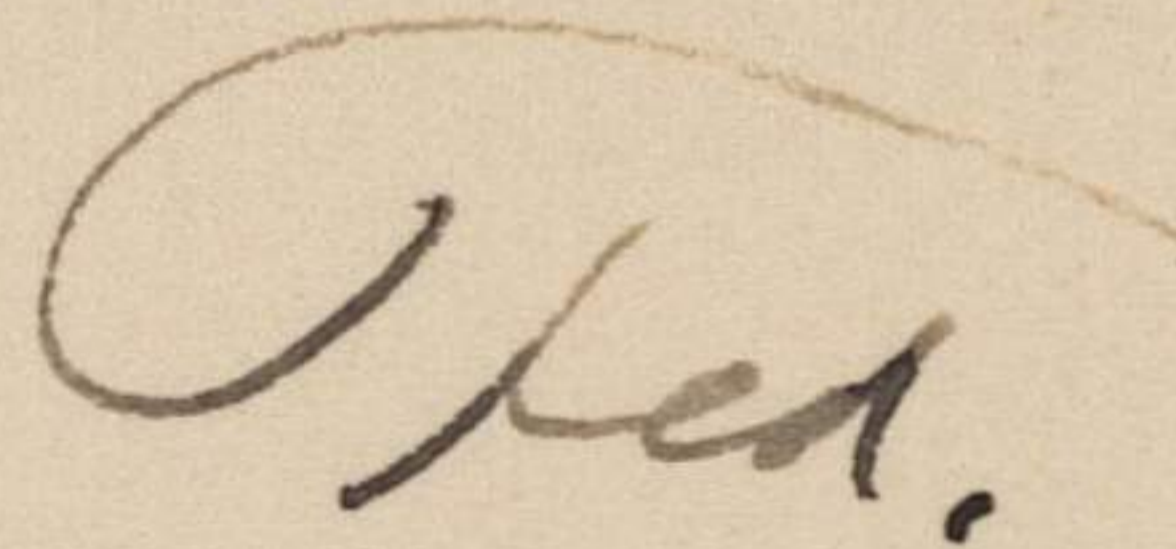

Dr. Forrest C. Allen,
Dept. of Physical Education,
University of Kansas,
Lawrence.

Dear "Fog":

I received your communication in regard to gymnasium use by local boys, this morning. Thanks for giving me the information. I will be glad to see that the matter is brought to the attention of the Lawrence Board of Education.

I think there is a real point in what you say, and reveals a matter that should be taken care of.

Cordially yours,

Theodore H. Aszman.
