Mrs. John Bunn  
Stanford University  
California

Dear Bonnie:

Thanks for sending the information and the address concerning John. I am sending you a Jayhawk Rebound so that you may scan the pages and pick up some mention of your good husband when he was starring for Kansas.

We have sold our big house and moved into a cottage which Mrs. Allen bought when Milton returned for his law degree. It is nice to have a place you do not wear yourself out running up and down stairs. I am speaking the thoughts of the women folks who live there most of the time, and I am happy to have a smaller place because it pleases them as well as me.

With every good wish, I am,

Sincerely yours,
