Dear Dean Stouffer,

In our conversation of yesterday I told you that I would send you a carbon copy of the letter that Lt. Col. W. H. Browne of Camp Robinson, Arkansas, former basketball coach and Assistant Director of Athletics of the University of Nebraska wrote. I am also sending you a copy of my replies to him and a copy of a letter that a big-time Southeastern coach wrote me regarding an athlete in his university that he could not use. My reply to him is also enclosed.

When you have finished with it will you kindly return it to me in the University mail?

Very sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
