DEAR COLLEAGUE:

The war with Tuberculosis is not over.

The fight must continue if we are to hold the ground already gained and make additional advances.

We should consider it a privilege to contribute to the fund which is used to combat Tuberculosis.

This fund is used in the diagnostic and preventive work indicated on the margin of this page.

Seventy-five per cent of your contribution is used right here in Douglas County.

Seal Sale Money for the Past Year Was Expended for:
