Dear John:

I was delighted to hear from you and I am pleased indeed at your anticipating entering the University of Kansas.

I got in touch with Owen Peck and he is to call you today. I also had a letter from Coach Ellis. He recommends you without reservations.

I want you to stop in as soon as you come to Lawrence. It is a great delight to have such fine returning veterans as you and others of your ambitious type.

Sincerely yours,

Director of Physical Education
