Dear Mr. Kobbeman:

I am very happy to send you our brochure on our major in physical education here in the University of Kansas. Dr. Lennard Axe, assisted by Dr. E. R. Elbel, a teacher on the staff of physical education, is advising the veterans upon the course they will pursue. As soon as you come to the University of Kansas, I would be happy to have you drop in here, but it would be better to drop in on Dr. Elbel or Dr. Axe, who will direct you. We will be happy to assist you in every possible way.

The University of Kansas does not grant scholarships but your G. I. Bill of Rights will insure your education.

With every good wish, I am

Sincerely,
