

Portis, Kansas, Dec. FOUR, 40-four.

DEAR DR. ALLEN: Rebounds came today and was mighty glad to get same and will look over carefully and observe where boys are and on on.

By the way I want the address of John Buescher and ask you to send same please if you can.

Will be writing you at some more length later when BB season gets moving. I am hardly as interested in it as I was when the game was going strong before the war.

Sincerely,

J. E. Kissell, Porti
