Dear Mr. Allen:

At this late date will you please accept my sincere thanks for the copy of Goal-Hi rules sent to me while we were at our summer camp last month. Your kindness was much appreciated.

My great tardiness in sending this note to you was due to the fact that I had little in the way of stenographic facilities at Camp.

Again expressing our gratitude for your kindness, I am

Sincerely yours,

W. L. Kuser, Supt.
