Dear Dr. Allen:

It was with interest and inspiration that I read your letter about my recent inquiry to you. It was just what I wanted and I want to use some of the ideas that you set forth in your plan. I only hope that you do not have to search for new help during this period, for it is difficult to find good help.

Let me again express my appreciation for <sup>a</sup>very helpful letter.

Sincerely yours,

*J.O. Keller*
