Dear Doctor Allen:

Thanks very much
for sending the rebounds
out here. I recieved the
last one a few days
ago and noticed Lt. F. Herriman
was with the 44th Gen. Hosp.
We have a lot of our
boys up there. I can't
get away from here
for another week

— One boy has the mumps
so the rest of us have
to stay in camp.

We play volley ball
every evening — to hot during
the day —
