

There are around 65  
anti-aircraft outfits  
here in the Pacific area.  
~~and~~ we are ~~the~~ in 3<sup>rd</sup> place  
for total number of  
Jap planes knocked down  
and we <sup>are</sup> only 6 planes behind  
the leaders. The boys  
and myself get a real  
kick out of seeing a  
Jap plane burst into flames  
and fall to the ground.

I'm interested in your  
Civic Action Committee —  
With Wade Pierce, "Westy", L.H. Houston  
Popb Simmons, and the rest  
you should be able to do  
a good job.

Very sincerely,  
Kenny Keene
