Dear Allen. We really did enjoy our visit in your home and sincerely hope it will not be too long until you break bread with us. What a fine family you have. After all about all anyone ever does is to raise a family. If successful in that everything can be counted all right. if not - nothing can make up for it. So you can feel pretty good with what you two have accomplished in life.

Phog, I really felt bad when the news came in last night but second place was plenty high with what you had this year and am sure you think so, too.

I'm sending a box score & have underlined a name, Bill Lutherland. Young man, who has had one year at K.C.U. - and is playing on Pratt Whitney - 6 ft. 4 & a good boy. He'll make us a real star at K.C. when the war is over - (if I can get him up there I hope to.) He's playing in pretty fast company for a kid - and is strictly amateur & O.K. Rehnerdine - Texas A & M (or T.C.U.) and several have been after him. His dad is here with Jenkins and a good friend of mine. Come in some time when in K.C. & I'll take you down for a talk or we'll all go to lunch together -
Thanks again for the good time - Elmer Kanaga
