Dear Miss Krehbiel:

Thank you very much for sending me the Associated Press release  
"right off the ticker".

We are just leaving for Manhattan where we play tonight. We  
are now tied with Oklahoma for first place in the conference race,  
after beating them here last Tuesday night, 42 to 27. It was quite  
a gala occasion!

I'm glad you are enjoying the radio business. If I am ever in  
Dayton it will be a pleasure to see you in your interesting environ-  
ment. Lots of good luck to you.

Very sincerely yours,
