Dear Dwight:

I am enclosing an article and you can put any kind of a heading to it that you care to. It is not so hot I will admit but I felt that it would answer some of the questions that will be confronting a lot of the coaches this coming season. In fact, I have had many letters from coaches in regard to these problems and I felt that possibly an article along this line would help.

✓ { I would like to have you write to Dr. Allen and ask him to write an article in regard to setting-up exercises and the proper ones to use in basketball.

I have left some of the problems unanswered in hopes that other coaches would take it up and answer them for us.

Write again if I can be of help to you.

Sincerely yours,
