

May 17, 1944.

Dr. E. Wayne Konrad,  
Slater, Missouri.

Dear Dr. Konrad:

I appreciate so much your generosity and hospitality which you so kindly offered me. However, being not sure what time I will be able to arrive in Slater, I think I had better not accept your dinner invitation.

I will call you up and will have a visit with you and Mrs. Konrad before I leave town.

We have a Recreation Institute here with the principals from New York representing the National Recreation Association. It will be necessary for me to drive back that evening so as to be in Lawrence early the next morning. The Institute starts at 10 o'clock Saturday morning, and continues through the day. Therefore, I will take a rain check and hope for better luck next time. It is awfully nice of you.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
