Dear Dr Allen,

Just a note to let you know that my wife and I are looking forward to having you at the house for dinner next Friday night.

In your letter of April 4th you were undecided whether to drive or come by train. Since that time train service has been suspended due to the Missouri river flood east of here and it is very doubtful whether the Alton railroad will be in operation by next week end, so perhaps you had better plan accordingly.

Will see you next week end

Very sincerely yours,

E. Wayne Konrad D.O.
