Mr. Clifford King,
Hesston, Kansas.

Dear Clifford:

I am glad that you enjoyed the Jayhawk Rebounds and the basketball.

If after the war you are interested in going to college and that college happens to be the University of Kansas we will indeed be glad to talk with you.

Trusting that you are doing a swell job in raising food for the war effort and doing your level best in every other way, I am, with kindest regards,

Very sincerely yours,
