Dear Doc,

I won't have a chance - probably - for sometime to write you and I wanted to get this off. First though I want to thank you for each of those newsletters - it certainly is swell to get them. What I wanted to write you about was Bill. He is president of the Phi Deltos, honor roll (engineering), Tau Beta Pi, Pochachmas (inner circle), out for track and he did write for the Kansan for awhile - all this plus his Navy duties. It just came to me - at least in my mind - he's certainly deserving of Sackem. He's a junior and the election will probably come up in ³⁻⁶ months or so. There aren't any Phi Deltos in it & Bill isn't the politician type - I was quit afraid he might be overlooked.

I always felt that I deserved it when I was in school - Relays, Sports Ed., etc. but I still wouldn't have gotten it if it hadn't been for Bob. If you think Bill rates it, I would certainly appreciate your going to bat for him when the election rolls around. Give my very best to your wife & family
I think of you all often
Yours, Clint
