

about 20 miles from here.

So far I have not received a foreign assignment but there is a peculiar feeling that it is not far away. The lightning has struck all around me.

I was pleased to see that Ernie Frigley was appointed athletic director. Tho for the life of me I don't see why anyone would care for the job unless they really loved K. U. Some of us do that, Phog & Jim sure no one could ever say you weren't for K. U. first last & all the time.

Sincerely yours,

H. L. Kirkpatrick
