Dr. F.C. "Phog" Allen,  
Basketball coach,  
University of Kansas,  
Lawrence, Kans.

Dear Coach:--

I am doing a book this summer on football, a history of the game from its origin at Norman in 1895 through the 1920 season (the year you coached and played us for the title at Norman).

Later on I shall need some action pictures of Kansas-Oklahoma games (we played the first one in 1903 and haven't missed since) and having heard that a number of them are stored in an upstairs room in your building, I thought I would write you and urge you not to let anybody destroy them until I can take a look at them next time I am in Lawrence. I might want to borrow several to be engraved.

Also, when you get a little time, will you write me what you remember of the strategy and action of the Kansas-Oklahoma game of '20. Oklahoma won it 21-9 at Norman November 6 but Kansas led at the half. I have a complete play-by-play; what I need is to know what in your opinion beat Kansas, how Kansas scored, what Kansas players were outstanding and why and what Oklahoma players looked pretty good and why. Probably you won't remember very much, since the game was played 23 years ago, but I thought I would give you an opportunity.

Sincerely yours,

*Harold Keith*  
Harold Keith.

PS - date of this game was November 6, 1920.
