

January 22, 1943.

Dean E. P. Puckett,  
Central College,  
Fayette, Missouri.

Dear E. P.:

I just wanted to clear up this Adams case for the benefit of all concerned, and am sending you this carbon copy of my letter to bring the history up to date.

Thanks for your good letter of last year.

Please show this to Cling, if he is in town. Cling said he never heard of the guy. Well, I have, but I don't care much about him.

Sincerely yours,

FCA:AH

Director of Physical Education,  
Varsity Basketball Coach.
