Dr. Forrest C. Allen Lawrence Kansas

Dear Dr. Allen,

I really appreciated receiving the letters from you recently pertaining to the correspondence you had with Mr. Dewell and Johnny. I assure you I did everything possible to keep Johnny at K.U. I talked to the three prominent business men in Newton who in turn contacted the Dewell family also. Everything seemed to be all cut and dried however for the transfer to S.M.U. before we started working on them. Will talk to you more indetail later.

I plan to take in your O.U.-K.U.game at Lawrence Feb. 26. The way it looks now there will be four of us from here attending. Would it be possible for you to get four good seats for us. If so we would very much appreciate it, and will pay you when we get them Friday before game time.

Congratulations on your three last games.

Hope to hear from you soon.

Yours very sincerely,

Alvin B. King
