Dear Dad, Mother,

Well I am in Washington to-day.

I am going down and try to find Olie Sunday.
He wrote and told me he was coming to see me
saying he was leaving wed, so I might find
him Sunday. Hope so.

It has rained all day and it is
not a very good day to be out. I am
feeling fine hope all of you are too. I
don't know what I am going to be doing
to-mite, well I'll write you all again
real soon. Hello to Mother & John.

Love

Daie
