Mr. M. W. Kelley
Austin, Texas

Dear Kell:

Those knee pads are swell. Send us another dozen just like these. Yes, they are classy looking articles and we want to doll our boys up all we can. We hope that you will be able to accompany the basketball team to Lawrence.

Yes, we are taking a sling in the Garden because the boys want to develop some cricks in their necks looking at those skyscrapers, but as far as I am concerned, I can stay out of that big city for a long time and not miss it.

With all good wishes to your family, I am,

Sincerely yours,

Director of Physical Education and Recreation

Dr. Forrest C. Allen,
University of Kansas,
Lawrence, Kansas.

Dear Dr. Allen;

Thanks very much for the order for two dozen pairs Kelley Knee Pads. Glad to hear that you are giving our new pad a trial. Believe this pad will make your team look pretty classy. We have intentionally used flesh colored pelts so that the height of the players will not be broken, - in other words - the players will appear to be larger and taller.

As you instructed, we are sending you a dozen pairs now and will hold up the other dozen until we hear from you again.

Note by the paper that you are taking a whirl at Madison Square Garden this winter. Best of luck to you.

Sincerely,

M. W. Kelley

Manhattan, Kansas

Dear Dr. King:

We thoroughly appreciated your visit to our boys yesterday afternoon. It was swell of you to come up and be friendly with them. They got a great wallop out of it, and I also enjoyed the short conversation with you.

You are a great jollier. Remember, you can take any number that you like from ten years to one hundred.

Now, in regard to the other situation. You saw the letter that Dean Stockton showed you about Mr. Gray. I am sending you a carbon copy of a letter he wrote to me and my reply to him of this date.

By the way, I am going to visit our K-cousins at Manhattan on Monday evening. Wallace Swanson, the President of the K-Club was kind enough to invite me to speak at Willard Hall, Room 101, at 7:30, and I promise to say nothing, I hope, that will get me in jail either in Manhattan, Lawrence or the State of Kansas.

Sincerely yours,

Dear Dr. Allen:

We have a small boy scout troop in our little city that has never attended a varsity basket ball game at Lawrence. Would it be possible for us to secure tickets at a reduced prices at one of your games or perhaps there will be a game during the season when the scouts are admitted without charge.

I would be glad to pass any information that you have in regard to this matter on to the leaders of our troop.

Sincerely yours

Dear Coach Allen:

I wonder if you would have any objection to my using two or three pages from "Better Basketball" as an article in my next issue. I would like to use the section on Foods, (page 71 to 74).

My team is doing better than we had expected. We have defeated the two teams that have been picked by most writers as the strongest in the state this year. I get a great deal of help from your book.

Wishing you another successful season, and with highest regards, I am,

Most cordially yours,

Dwight Keith.

Mr. Willis N. Kelly
Mayor
Hutchinson, Kansas

Dear Mayor Kelly:

I have your good letter of the 13th instant requesting that we set aside four tickets for our game with Kansas State and Oklahoma. We are very happy to do this for you. The tickets will be at the box office in your name for each of the games.

If you desire, we would be glad to mail the tickets to you. I have talked with Mr. Earl Falkenstien, our financial secretary of the Athletic Association, and he says the reservations have been made and are awaiting your disposition.

I have been told, by someone who seems to know, that your generous service to the State and to your community entitles you to more than these small courtesies which we are always happy to recognize. There will be no charge for these tickets.

It was good to see you at Wichita and it will be an added pleasure to have you and Mrs. Kelly and your guests in Lawrence.

Please remember me to your charming wife.

Sincerely yours,
