Dear Evelyn:

If possible I believe that I am just as happy or more so than you are at the good news that you have accepted an instructorship at the University of South Dakota.

You did such excellent work here that I want you to have your chance. I wish you all the good luck in the world and remember we will be pulling for you one hundred per cent. You deserve a fine opportunity such as has come to you.

With all good wishes, I am

Very sincerely yours,
