

CARL M. KIRMAYER
MAYOR
CITY OF LEAVENWORTH, KANSAS

October 16, 1940.

Dr. Forrest C. Allen,
Department of Physical Education,
Lawrence, Kansas.

Dear Pfog:-

Wish to acknowledge your letter of October 14 to me and also to advise you that my request was granted thru Mr. Falkenstein, for which accept my thanks.

All I can say is this old timer "that you should be Atheletic Director" should you desire it.

You have done a great deal for all branches of atheletics at K. U. more so than any other, possibly old boy your job was about as thankful as being a Mayor of a city. You cannot please them all.

I wish you continued success as the leading and outstanding coach of basket ball in all the states. Hope to see you soon and have a little chat with you for old times sake.

Sincerely yours,

Carl M. Kirmayer
