Honorable Willis N. Kelly,
Hutchinson, Kansas.

Dear Mr. Kelly:

Thank you so much for your good letter and the clipping regarding Walter Quiring. I have talked to some of the boys and they are expecting to give Walter a good rush.

I am also writing a note to Walter telling him that we are very proud of him and hope that he chooses the University of Kansas for his alma mater. I do not know Walter's dad's name but I will find out, and we will do everything we can to interest this young man in the medical school of the University.

It is nice of you to write, and very considerate of you to wish us good luck in the tournament in Kansas City.

With all good wishes, I am

Very sincerely yours,
