Dear Art:

This is a belated acknowledgment of your letter of February 25th.

We have finished a long and rather strenuous basketball season, and are now starting the baseball schedule. We tied for the Big Six championship, and beat the Oklahoma Aggies in a play-off for the Fifth District N.C.A.A. championship, but fell by the wayside in the finals. We are happy indeed that we got as far as we did.

I do not have a set plan on a community recreation program, but I am glad to send you a copy of a rather complete bibliography that we use and also a copy of a program worked out by one of our students who was here in summer school a year or two ago. I hope that you will find something of value in this material.

With kindest personal regards, I am

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.
