Dr. F. C. Allen

Lawrence, Kansas.

Dear Dr. Allen:-

The booklet containing the diaries written about last year's Eastern trip, was received and I want to thank you for it. It is very interesting and I have enjoyed reading it. I will keep it always, as a valued memento of John's basket-ball experiences.

You have always been so very kind to John and to us, and I want you to know we really appreciate it. Mr. Kline joins me in wishing for you and Mrs. Allen the happiest of New Years. Sincerely - Mrs. N. N. Kline
