Dear Phog. on behalf of the men of our church I want to thank you for coming up and talking -- especially when we know how inopportune the time was. Our feelings expressed to me by various fathers was that it had been the finest father & son banquet we ever had and this was due to your inspiring talk. It was great. While I have my pen in hand Phog - I want to tell you that I am grateful that Clint has had the contact he has had with you during his four years at R.V. There is nothing so fine for a young man as to have the influence of good men whom he admires during his college career and he really thinks you are all right. So Thanks again - you are doing a great work with young men + I hope you will stay with it for many
