

PHI DELTA THETA
1621 EDGEHILL ROAD
LAWRENCE, KANSAS

February 10, 1941

Dear Dr. Allen,

I wanted to thank you again for the ride to the city Monday night, I enjoyed every moment of it. I appreciate your going over to the city at dad's request as he and brother Bill got a great thrill in hearing you, and I know the entire crowd enjoyed it very much.

Your speech was one of the finest I have ever heard and I only wish the entire Phi Delt chapter could have been there. Thanks again for everything.

I remain,

Sincerely yours,

Clint Kanaga
