Dear Mr. Allen:

While in Lawrence on April 26 I left with you for sale 60 general admission tickets to the Seventh Annual Sportsmen's Horse Show and Exposition staged by the Kansas City Police Department.

Now that the show is over a complete check of all tickets is being made by the auditor. I would appreciate an immediate reply from you with the return of any unsold tickets and your check for any sales you may have made.

I wish to personally thank you for your co-operation in handling these tickets and hope that I may be of some service to you when you next come to Kansas City.

Yours very truly,

Frank E. Otey,
Educational Division,
Kansas City Police Department
