Dear Doctor Allen:

We sent you the sample molded Basketball yesterday and hope that we may have your order for several of these balls.. We have two very good ones in black and two in white, together with a considerable number of brown balls. If you care for any of the white or black balls along with the brown, we will make you the same price on them subject to sale.

Also enclose a little sheet on coats, jackets and sweaters. Will be mighty glad to have your inquiries.
