Dr. F. C. Allen,
Basketball Coach,
University of Kansas,
Lawrence, Kansas.

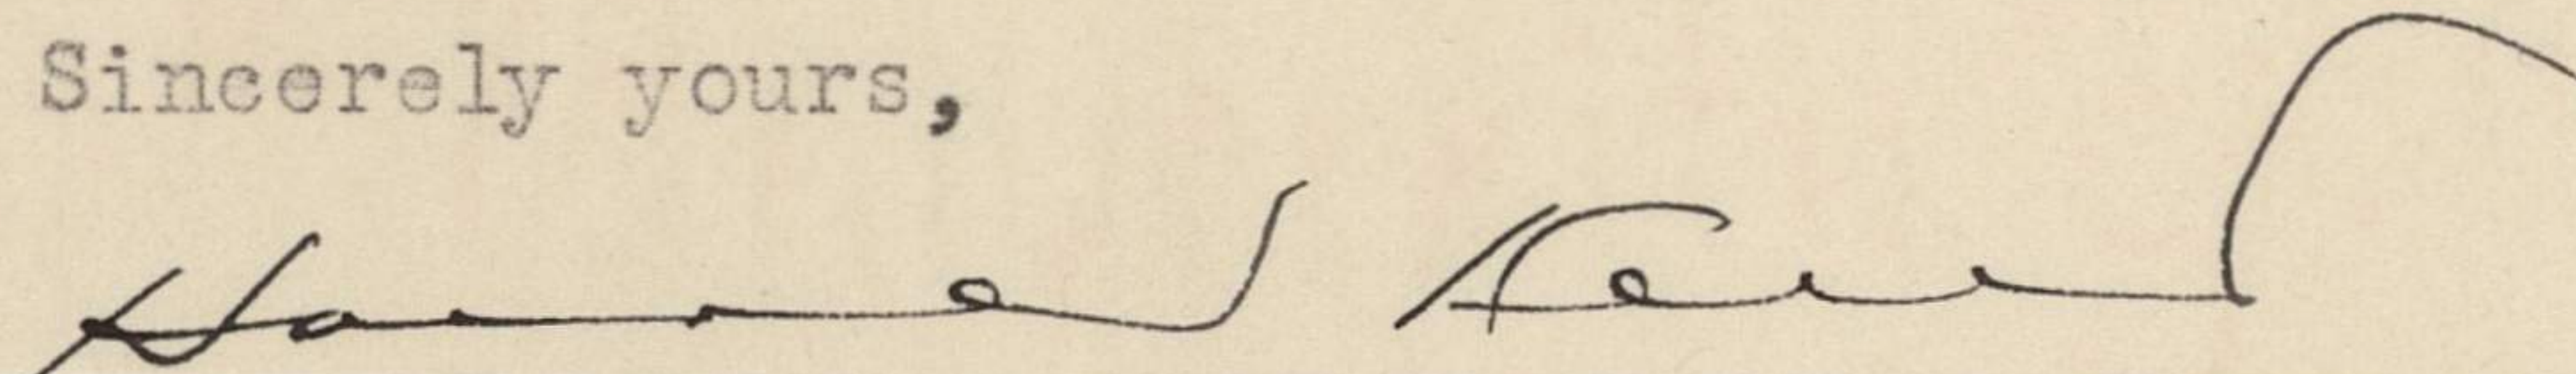

Dear Coach:

Just a line to congratulate you and the fighting Kansas team for the swell comeback that earned it the right to play at Kansas City.

It took real battling, and also coaching genius, to lick such tall experienced groups as ours and the Oklahoma Aggies.

Good luck at Kansas City and here's hoping you draw Rice for that first game.

Sincerely yours,

Harold Keith,
Director Sports Publicity
