heart to make him quit. Then
he'd be until the next season getting
it strong enough to go out on. So
he never did get any basket ball in
H.S. When he went to K.U. I told him
to forget football because he was too
young & too light to go out for a line
place when he had this bad knee. Then
the first thing I knew he was trying to
be a basket ball player. The contact
he had with you was the bright spot
last year with him - so many thanks
for fooling along with him & being
so helpful when you knew he'd
never be team material.

Clint thinks a lot of Bob too. After
that Missouri game he told me Bob
was the only one on the team who
never gave up - which I told him
was because his name was Allen.

I used to go out when I was a kid &
watch Pete play & by the way he &
were captains in the 35th Div during
the war. However I wasn't in his regiment
so didn't get to be with him any.

Well - Thanks again Phog - hope you
have a winner this year - as
ever yours - Clinton W Kanaga
