Mr. George R. Edwards,
Basketball Coach,
University of Missouri,
Columbia, Missouri.

Dear George:

Your letter of the 27th instant just received, and I assure you it is entirely agreeable to me to start the game at 8:10. I can understand the difficulty. We will keep this information entirely confidential.

We have played some good games and some poor ones, but I am very much afraid that we have had too many highlights to expect them to keep going at the rate they did against Oklahoma.

I am sure that we will have a great game down there Thursday night, and I, along with you, too, am hoping that the team playing the better game will be the winner.

With all good wishes, I am

Sincerely yours,
