

November 12, 1933.

Mr. Guy Keeler,
Extension Division,
University of Kansas.

Dear Guy:

After speaking to you regarding the possibility of Glenn Cunningham accepting C. O. Burnside's invitation on November 17 for Oklahoma City, I then went to Glenn and talked to him. I told him what a fine fellow C.O.B. is and that he would use much discretion in not parading Glenn around unduly.

As I told you, Mr. Burnside is our patron saint of Athletics in Oklahoma and Oklahoma City. He was a former basketball player on the Iola High School team and graduated here in Journalism in 1923. He was a great friend of DeBernardi when the two boys played together at Iola.

Mr. Burnside is genteel, capable, and also one of our outstanding alumni in Oklahoma City. He has been president of the K. U. alumni group in Oklahoma for a number of years, and all of us look to him for favors when we need them down Oklahoma City way. I don't believe any team has ever gone into town that has not been met and shown extreme kindnesses by Mr. Burnside.

I will appreciate it very much if you will write to Mr. Burnside and acknowledge receipt of his fine invitation. I know Glenn will be extremely pleased to be in company with such a discreet and successful alumnus and business man during his stay in the Southwestern metropolis.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
