

My son Milton who graduated in 1936 was enrolled in the Engineering school. He disliked it very, very much and all that I could do to keep him in school was unavailing. After permitting him to transfer to the School of Business he had no difficulty whatsoever. I am wondering if this might be true of your son.

Assuring you of my desire to be of any help that I can, I am

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
