Dear Doc,

I just thought I'd drop you a note concerning Charles Black. You probably already know more about it than I do but I do know that he is scheduled to go to Wisconsin for sure. Don Greenwood, a southwest football star is also going there. Black had an awfully good offer from M.V. but decided definitely upon Wisconsin.

He appreciated your interest in him. It's too bad he is going to Wisconsin as I know he would make K.V. a great player.

However, his mind seems to be made up. Give Bob and Eleanor my regards.

Sincerely, Clinton Kanoga
